Main Genoa and Spinnaker (age unknown), all set well despite being older. Mainly Ronstan fittings and all ball blocks. Fly away pole with underside halyard stowage system, Jib furler, Rudder two pack varnished wood (cover). Ronstan tiller extension. Custom made self contained Target digital depth sounder. Outboard bracket, will fit any small motor or can be detached. I bought it because the inside of the hull has never been repainted so it can be seen there is no damage. The hull has been repainted in international 2 pack to a high standard. New rubbing strakes and spinnaker bag from Parkers. Cockpit cover. Newly built trailer less than 12 months old. Unbraked but could readily be converted. Currently racing at Ribble Cruising Club. Ready to sail. Further pictures available on request.
